Tri- Town Knights Cheering Scholarship
In Memory of Jessica Pelletier

The Poland Parks & Recreation Tri-Town Knights Cheering Program will offer a $200.00 Scholarship annually to a PRHS graduating senior who has participated in cheerleading throughout high school and has dedicated time to helping the Tri-Town Knights Cheerleading Program through coaching or other means of Community Service. **All applications must be received in our office by: May 7, 2027.**

Jessica Pelletier was full of joy from top to bottom, loved to laugh, a big beautiful smile every time you saw her, bubbly/spunky, kind, considerate, and loud! Jessica started cheering at the age of 5 for the Auburn / Lewiston area recreation programs. Her family moved to Poland and in 6th grade she began cheering for the PCS Panthers. She continued cheering throughout high school (Edward Little High School Red Eddies) for several years. While cheering with the Poland Panthers Jessica participated in the onset of the very first competitions for middle schools located south of Bangor. At the age of 19 Jessica and three young friends (A young man from Poland and two other students from Auburn) perished instantly in an automobile accident on their way heading north for the weekend. This scholarship is to be given annually to a PRHS Senior in honor of Jessica!

We ask that applicants complete the following questionnaire:

Applicant's Name:
Address:
Phone #:
Years dedicated to cheerleading?
How were you involved with the Tri-Town Knights Cheering Program?
What did you gain from these experiences?
Plans for future education:
