

Camp Connor “CAMPERSHIP” Program

Thanks to the generous contributions of some Poland businesses and resident’s, we are in our 7th year of our scholarship program for Poland children to attend Camp Connor this summer at a significantly reduced rate. Any **Poland** resident 1st through 8th grade can apply if they are eligible for “free” lunch through their school. Note: Poland home school families can apply as well, with the understanding that financial info. would need to be provided to verify need. Please contact our office if you have questions 207-998-4601 option 5.

Campership = \$140 off per week, per child if approved. Families would still be responsible for paying the difference; see camp costs in the enclosed information.

Please complete the following form and drop off to the **Poland Parks & Recreation Dept by no later than March 1st.**

By signing this form, you are stating your child(ren) receives free lunch through the school department and that your child is a Poland resident..

Please list in order of preference up to 6 weeks (1 being top choice, etc...)

- A deposit of \$20.00 will be required for each week of camp, for each child that you sign up for in order to be considered officially registered. This gets subtracted from your total.
- You can sign up for more than the campership weeks you receive, as long as you understand that you will need to pay those additional weeks at full cost.
- If you cancel a week(s) of your campership, we will consider a trade for other week(s) if there is room available. Cancellations must be in writing via email. ssegal@polandtownoffice.org
- We will apply the \$140.00 as credit for each week you are approved.

You will be notified after March 1st by email. The number of applicants/needs will determine how many children will receive camperships. In order to process your campership, you will need to respond to the email we send you.
